

Wise Thoughts

Every year, we celebrate International Credit Union Day on the third Thursday in October to raise awareness about credit unions around the world and what it means for members to have a credit union as their financial partner.

This year's theme is "Building financial health for a brighter tomorrow," and it couldn't have come at a better time.

One of our guiding principles here at GMFCU is financial wellness through education, training, and information for our members. It's something we strive to practice with every interaction—whether it's a simple account question, guiding members on how to boost their credit, finding ways to help members save smarter, and meeting members where they are in their financial life cycle to help them achieve their goals.

We hope that you will join us on Thursday, October 21, 2021 in celebration of all things credit union. We will be giving away individually wrapped Carolina Cookies at all branch locations this day while supplies last—a sweet treat from us to you to celebrate ICU Day!

Yours in Prosperity,

Jerry Wise
