

Wise Thoughts

We are living in interesting times.

COVID-19, commonly known as Coronavirus, has brought new challenges to many citizens and businesses in our community. Throughout this time, our commitment to serve you has not wavered. We have made adjustments as needed to make sure that our members and employees are safe while continuing to meet your needs. Because this is a rapidly changing situation, I recommend you stay in touch with us via our Facebook page (Facebook.com/GMFCU) for the latest operating information.

We are lucky, however, to live in a time where access to your account is easier than ever. Our Online Banking and Mobile App services are a powerful way to control your account on your time. Not only can you check your balance and account history, but there are numerous ways to conduct your business digitally. Here are just a few of the most helpful tools our Online Banking and Mobile App:

- **Pay Anyone with P2P (Person to Person) Transfer:** pay anyone with just their email address or mobile phone number!
- **Mobile Check Deposit (Mobile App Only):** Take a picture of your check and securely deposit it via the app! NOTE: Your GMFCU account must be open for at least 6 months to use this feature.
- **Online Loan Applications:** Looking for a loan? You can start the process online at your convenience!
- **Online Certificate Purchases:** Want to purchase a certificate? Easily do so from our app or online banking!
- **Online Account Opening:** Looking to open a new membership or a new savings or checking on an existing account? Both can be done online!
- **Bill Pay:** Need to pay a bill but don't want to come in for a cashier's check? You can easily pay bills in both online banking and our app!

To access online banking, visit greensboromcu.org. Our Mobile App can be downloaded from the Apple Store or Google Play. If you have not used either service or if you have forgotten your password, please give us a call at 336-373-2090 and we can help.

We are also available via phone during this time. Our staff can help you get the information you need. Just give us a call at 336-373-2090.

Lastly, I want to assure you that your account is safe and secure here at GMFCU. All electronic funds, including debit transactions, credit card transactions, remote deposited checks, electronic bill pay, direct deposit, and direct debits will process normally. Each account is insured through the National Credit Union Administration (NCUA) up to \$250,000.

We appreciate your patience and understanding at this time as we continue to serve you.

Yours in Prosperity,
Jerry Wise
