

Wise Thoughts

We've got some big news this quarter...

Greensboro Municipal Federal Credit Union is proud to partner with the Carolinas Credit Union Foundation, an affiliate association, to allow Friends of the Foundation membership eligibility. For a \$15 donation* at account opening, you can become a member of GMFCU and support an excellent cause!

Yes, that's right—anyone who becomes a Friend of the Foundation can now become a member of GMFCU! We're excited to be able to offer this opportunity to those who may not have been able to join because they did not meet other eligibility criteria. Not only that, the donation to the Friends of the Foundation also benefits some very worthy causes right here in our community.

The Carolinas Credit Union Foundation is the philanthropic partner to credit unions in the Carolinas and was founded nearly 30 years ago. Through a shared philosophy of "People Helping People," the Foundation supports credit union members, individuals and communities in North and South Carolina. In the last 5 years, the Foundation has

distributed nearly \$7.5 million for disaster relief, hardship assistance, educational programs and grants, academic and needs-based scholarships, and non-profit grant support.

The Foundation also serves as a founding partner to Victory Junction, a year-round camping facility, located in Randleman, NC, for children with chronic medical conditions or serious illnesses. Over the last 18 years, more than \$5 million has been raised by credit unions in the Carolinas to support its camp and outreach programs.

You can find out more about this partnership at www.greensboromcu.org/CCUF.

We hope that you'll share this news with friends and family who may not have been eligible for membership in the past. We are continuing to grow daily and proud to serve all our members!

Yours in Prosperity,
Jerry Wise, President & CEO
